

King of kings Lutheran Church - Exit Interview

Whenever a Ministry team leader or a volunteer leader is stepping down it is important to review their experience.

This list is provided to guide the interview:

- What was your most important responsibility?
- What was most rewarding about the ministry?
- What was most tedious about the ministry?
- What prompted this transition?
- What can be improved about the ministry?
- What problems exist?
- What was your key accomplishment?
- Who was your most valuable resource?
- What advice do you have for the next person filling this position?

This interview has a second purpose, that being of recognition.
It is VERY important to thank the leader for all the time and
effort.
