Lighthouse Outreach Easter Basket Collection

We are now collecting Easter baskets for boys and girls, ages newborn through grade school age, for the Lighthouse Outreach Center. Most communities are experiencing tough economic times leaving many families (with children) in difficult situations. Please join us as we collect Easter baskets so that these children can experience some fun this Easter season. We will also be collecting

basic hygiene products for the center.

Whether you purchase an 'already prepared' basket or make one yourself - please be sure the basket is WRAPPED, as well as any candy inside. **You can drop off your baskets and hygiene products in the lobby from February 28th through March 15th.**
